Luis Moreno Ocampo &amp; President Phillip Kirsch of the International CriminalCourt are guilty of war-crimes themselves.</p> <p>And they are both protected by Ban Ki-moon &amp; UNHCHR.</p> <p>They are dictators who decide together on 'which country has to be brought to ICC-courtroom and which not'.</p> <p>Why is this a problem?</p> <p>The 3 of them hide a lawcase agaistn hostcournty the Netherlands for the rest of the World.</p> |
